

CIA and MI6 、 Mossad

Kuroda International Foundation

Takeshi Kuroda

This is all reality with control of information. Calculation of information is only permission to be participated with reality. With the others only be with fellows. As you should imagine with a participation to universe under any calculation of information to see any of your dreams.

All these calculations may plan all your participations. As any contact with universe may bases of your decisions.

On the other hand, there is all reality of the world as only be seen under CIA and MI6, Mossad. This is reality and the other is under mind control. So right participation is same condition with CIA and MI6, Mossad.

These are the truth of the liberal camp and only a reality we can work for. CIA and MI6 is WASP standard and Mossad is Jewish. So that to be wise to see the truth Mossad is only a truth, but the other is only fellows.

Then to reach truth that we could work against Mossad. Because king face to king but servant.

What is right decision? To ask own independence and handle the reality as face all truth of the world.
