Create the future

Creation of Free Asia alliance

KURODA International Foundation

Takeshi Kuroda

With own independence asking out of any forced but willing under any permission to unify whole Asia. This alliance is with against new world order.

Under govern with peoples may seek all ideals.

All possibility with any challenge should ask the futures.

This freedom is new ideal with Asia alliance and humanity must be laws and reconstruction of region.

May ask all dream to people and must see hopes within eyes of all children.

As Tibet and Uighur must ask own decision even any region to be free decision under political agreement.

May determine create any reality as the futures.
