

KURODA International

Create the future

With a far east alliance

KURODA International Foundation

Takeshi Kuroda

Japan and China, North and south Korea, Taiwan alliance may ask equal partnership with NATO with any measure equally. That army unify with same bases and own foreign affair may ask new presence to the world.

These may not ask exception with North Korea and propose new idea and vision to a new world. With the root of east first time ask self equally to the world.

Under reality of the world third vision may ask gathering with a whole world.

Any reality of the world with Western system cause against inhumanity, but all these alliances could ask with totally anew with own background.

These are the first conversation with East and West. That asking any cooperated anew to the world.
