Create the future

Reality in tactics

KURODA International Foundation

Takeshi Kuroda

In the New World Order, WASP has a self as a slave. Therefore, the Asian unification presents a betrayal to the white race. Building equal relations gives Asian countries participation in an equal participation. It is the right way to deal with the New World Order in Judaism.

They present bilateral talks to the United States and Europe with the full picture to the New World Order and seek cooperation.

Cooperation and unification foundation in the Asian unification will be the basis for subsequent participation in the world.
