

Revolutionary change and the way to ask for a nation

KURODA International

Takeshi Kuroda

At the direction of bureaucrats, make all plans and execution plans, and implement all political visions and decisions.

It makes political determinations, in reality, revolutionary changes in all fields of nations.

Progressed ideas and academics may create a new reality. That is all necessity of politics.

All new technology and progress have a use for all reality of the nation. We need to change our minds about the coming new future.

Significant readership has all possibilities for any reality.

These are the truth of political decisions under its promise of realization.

There is a new future that we have all changed in society and life today.

These realistic judgments and decisions demand progress in academics in the future and create the future of a new nation in its diplomacy.

All these changes are revolutionary asked under any reality and field of a nation that gives us a new future.

This is the right way to ask for the future under any reality we have today.
