The world with darkness is right in front of any steps. Coming the future, we may find all tragedies.

How many peoples must be dead with the new world order? That is a reality we have.

Is there any agreement? And who may cause all these realities?

On the other hand, we find the Revelation of John. How does this book show the number of people who are promised to be dead?

This is the end of the world we are equally facing.

How are you facing if it comes with a reality?

To see all politics, what can you find with?

We have a choice that must give us a future.
