

Political moral

Kuroda International Foundation

Takeshi Kuroda

Never accepted any crimes under all politics. That is moral with any requirements of the reality. Honesty is all condition to face all peoples with politics. Those are all requirements to run own nation.

Bases with any confusions must be asked under the luck of all moral. But all politics must be with the highest respect at self. Due to be with own action and speech as to be with the highest moral.

Construction of any organizations are bases with moral. That is the way to ask more than any possibilities with a reality.

Full duty of politics is with own responsibility. As to serve the world and all peoples.

Out of own profit but asking any duties to the world and peoples. That is all requirement of politics.

To make a full conversation with peoples are bases with out of any lies. To see the eyes only be permitted without lies.
