

Consideration of the Russian shock and the collapse of Russia

KURODA International

Takeshi Kuroda

Oligarch's Rebellion and his servant give an understanding of all reality. But they must face reality for a tail.

As the Chinese secret agent of its No.2 ask defection, but as same as above, he must face reality.

This reality is the same as Skull and Bones' reality in Yale University with all curiosity.

This is called 14,400 chosen and 600 million elite for creating their world.

This irony proves they are dreaming but not facing any reality.

That all from 3rd nation envy the lives and justice of western camp. But with one truth, this is a creation from the CIA.

This trick proves that the world is under control.

A party under its justice called freedom is a prelude to frenzy. That means we do not have any escapes from reality.

New world order is undergoing by any reality, and they have complete contact with the universe. Right politicians must have all this information and handle it with any facts.

This is a future that is what we all have to know, but any dreams you dared.
