

Economic Blockade

KURODA International

Takeshi Kuroda

Against Russia with its Blockade is followed with China. These alliances among Russia and China divide the world.

This must be a time we close our market. This agreement with the unification of Asia is declared of own independence.

We do not be with both sides but rising with our independence.

Coming future free trade system only gather capitals with West camp. That means we have to be wise.

We must build justice against all reality of the world.

All these challenge is conquered. That means we have a world with our justice. Then we must all full cooperation with the universe.
