

Information war

Kuroda International

Takeshi Kuroda

Release all information is all tool under these wars. Russia and China, even the others, ask themselves to disclose all truth. That caused more than all revolutions within a world.

Reveal battle of this information gives ideally change with any realities.

All this irony comes CIA and the other agent ask their work under their mission.

At this time, the world faces all reality for the first time.

All peoples may ask for revolution.

For all results after all its remain, that tyrant goes his way.
