

Invasion. to Taiwan

KURODA International

Takeshi Kuroda

China must ask its decision. Japan had faced the same conclusion in WW2. That means history must be ended by choice.

There must be the use of mass murder weapons and frenzy of the military-industrial complex incoming WW3.

Only we may handle reality due to all its fact but lies.

That means politics ask its determined to expand the new world and futures.

Calm judgment and correct judgment save the nation, and stupid choices destroy the country.

Any circulations are with information under its permission. That only with we may handle reality.

Ukraine and Taiwan are invaded by their brother and sister, which caused the smile of satan.
