Facing all evils, we have the growth of new justice. The people prefer them for their realities.

We saw all heroes in Hollywood. They all follow justice.

All peoples may follow justice under the condition that it is without lies.

Lies and inhumanity are hobits of all evils. So, justice may ask for the new world.

New voices are from all the weak, and they are building justice. They are making new movements of the world to reach a moment from Woodstock.

These are facing with new world order as all realities of the world.

This has proof that who have a decision of the world. King or peoples?
