

Protection of autonomy and independence

KURODA International

Takeshi Kuroda

Under govern of the Illuminati, we may not even find independence from all nations. And Ukraine they do have the right to decide their country. That means joining NATO is only their decision, and it must be allowed.

There must be all its agreement under United Nations.

That caused the Russian invasion to define itself with world crimes.

This must be an agreement of the world and asking abandon of wars with its agreement by United Nation General Assembly. And this time, we disclose any information of the New World Order to the world and its peoples.
