KURODA International

Takeshi Kuroda

This is a result USA is away from policeman of the world. That means the world goes to next stage.

The world with matter is with Russia goes to Ukraine and China forward to Taiwan. We could see that this must be a World War 3.

How we may handle all these realities? We have to ask own decisions.

And a huge capital asks own proper with itself. That is a world we know today.

As we know that Almaz project from Russia that we all are facing equally to the world.

NATO with Anglo-Saxon club has only ticket to the millennium.

Since by World War 2 there was a contact with universe. That must ask their result by now.

This is a world we all are facing equally to the futures.

The story with ant and grasshopper, Rabbit and turtle comes truth with an age of winter.
