Russia is standing against NATO. All this matter that we have Full-scale nuclear war. Under all these situations we make own participation among within.

We show all our forces facing with all these realities. Use of all nuclear weapon is own defense of Russia. Coming World War 3 as any concerns with China we may imagine the world.

King must make determine of self under all these realities.

We are equally participated with all Full-scale nuclear war with own nuclear weapon.

Then we may ask all decision from United Nations.
