

Russia and China VS Liberal camp

KURODA International

Takeshi Kuroda

These has all doubt because tail of liberal camp is with illuminati and New World Order. And they are evils and Armageddon is goodness against evils.

All publicity proof evils go with Russia and China. This irony is all reality of the world.

To be a wise that from Tavistock Institute of Human Relations with their experiment that control with media to social mind decide all its values. That is rightly understand all reality with New World Orde as planed itself.

And Armageddon describe himself with Jesus Christ and Satan. Under this point of view, we may see the truth.

This is only effect with new world order and this is a work of Satan.

Under this point of view that Satan has a world as movie by The Devil's Advocate. As we see Jesus Christ as Messiah.

Then we see rightly for Armageddon.

Related with Russia and China VS Liberal Camp gives proof by reality for all its understanding.
