

Russia and his truth

KURODA International

Takeshi Kuroda

There are four kings. Gorbachev and Yeltsin, Netovejev and Putin. Mr. Gorbachev stands against Illuminati. He never is allowed in the future. Mr. Yeltsin sells his nation. He had been served to be a king. Related to the invasion of Ukraine, Mr. Netovejew, as Jewish, has his mission and has his future. Mr. Putin was a proper servant to Illuminati. But he has been thrown away.

We now have the reality of the world. There we may ask all circulation of all realities.

Under all reality containing with army and capitals what you can see? But the other is with lies.

All politicians may be known his future under all these correct explanations of realities.

This is a reality of new world order and plans.
