

Russia and the world

KURODA International

Takeshi Kuroda

The tail of power balance with a nuclear weapon that we face all matter of Ukraine. The economy and its economic blockade give us all understanding of the world and Chinese matters.

The western camp has a victory of games. They have to spend themselves with criminals.

All acceptances of reality prove all answers as The North Wind and The Sun.

These are indeed the end of history, and we have a winner.

We all have a decision that is only permitted by the Liberal camp. That is all reason they have a victory.

The end of history is the future ownership as Nobel of Rabbit and turtle was the truth.

Economy and independence as national security is all reality we have with final answers.

Western camp against Russia and China, we have an answer.

Who has a wealth that is with the king but losers?

All decision is away from them but liberal camp. That must be an all answer we may solute ourselves.
