The world decision

Kuroda International
Takeshi Kuroda

The world may ask for its decision. The decision is equal to the world. Who represents all decisions? He must be a messiah.

This is a readership the world may seek further effort of self. Due to the world need himself with sakes.

How may you imagine that the hero appears to be seen how the world accepts and realize?

This is not a suggestion but a decision.

Who may give shining eyes of people above with hopes?

The world is without dreams but dreams about with whom we may rely.

We have a future without any doubt, but who may serve the future>

Captain America is the first hero here on this planet.

The world of reality is described within the movie of Matrix as hell. This reality who gives a right within.

Who is a villain but has a right to live and own his future?

There is a good alien and an evil alien. How may we ask for any contact?

King makes the right decision for the world to cause him right.
