

The world reality and participation

KURODA International

Takeshi Kuroda

The first step of the Asia union asks its participation in the Invasion of Russia.

All criminal matters as wars within the world that asking declares to the world and send its army against.

This is an agreement of Asia and cooperated with the same actions.

As we find that New world order, we appear agreement with the world.

Under all those agreements and actions, we could ask for any cooperation from the world.
