

There is a last moment of the world that is called a new world order. We are facing the final moment of all history.

They have a whole world under control. On the other hand, we find a word as armageddon in the bible.

As we see that this is the end of the world. There is a promise in the bible called the millennium.

There are all changes in the world today. The world is seeking a new world that is all changing today.

The new reality of creating new value and changing the times of existing society causes all changes in the realities.

These may be the end of the existing society and the creation of a new world.

All these are as a party at the end of the world.

What does the world hold in its mind? This must be a right that we need an answer to.

The end of the game is the end of history. Waiting for world war 3<sup>rd</sup>, who may fail under all its fears?

Illuminati has all progressed reality as they have all plans. There is a future we all are facing equally, but who may take a wealth of the world that what we dare to know?

But I want you to know that decision gives a world as it was and is.
