

USA and his presence

KURODA International

Takeshi Kuroda

USA must not release his presence. And Ukraine matter cause World War 3 with Chinese participation. These are right plan with New World Order.

New technological civilization is real and age of space participation makes new reality.

These are the right circulation for reality today.

And base with all circumstances there is 2 divines of the world with Elite and not.

World with Covid 19 gives a choiceless of the reality.

We may seek Armageddon for all sake of ours.

All its world with mind control gives any reality of the world.

These are the answer we have to make a new world. To rim a hand and share same ideals for the reality and futures.

Because any steps give for all reality that is a proof we may try for our works. The sake of the world we must cooperate and a worth to try.

Peace is an ideal we may stand by abandon of wars and facing with own army forces.
