

Ukraine matters

KURODA International

Takeshi Kuroda

This is a time of use for ace of spades and hearts. Russia goes forward with Ukraine. And China makes his decision.

We make unification of Asia and facing for all realities. There asking for declare to the world.

NATO and world make their decision. But we are not following them but ourselves.

This 3rd divine of the world face equally to the world.

May it successfully settle the world. That we have priority and own presence.

After there is a collapse of the world but we have our promise with victory.

We are away from World War 3 and you may follow all my descriptions.
