

United Nations Extraordinary General Assembly

KURODA International

Takeshi Kuroda

We are facing the invasion of Ukraine, asking United Nations Extraordinary General Assembly.

As for waiting for the New world order, we offer unification of the world and abandon the wars. With its agreement, Russia has to leave Ukraine.

The majority of the vote is with Asia, Africa, South America to gain reality and future.

We disclose all information of the tails of all reality and ask decisions to the world.
