

United Nations permanent member of the council

KURODA International

Takeshi Kuroda

Related Ukraine matter we do ask agreement of abandon of wars here in earth. That agreement goes forward unification of the world.

Even next to new world order we do spend on the other steps. Not reject illuminati but all possibility to be cooperated with.

Access to moon base of UN we are renewing of the world as cooperated and reconstruct itself.

Earth is for all peoples here and we are participating to the futures.

These agreement goes for new world with new systems.

For a future to go there is more than any cooperation with universe and our stage goes new steps.

There we have all information with United Nations permanent member of the council. That we can work for that.
