Takeshi Kuroda

Public opinion always determines the world. In these cases, public opinion guidance in the media is a reality.

These mean that leaks of truth can move and decide the world.

This means that spies can completely control the reality of the world.

These are the ones who can plan the truth leaks most carefully, guide world public opinion, and achieve the world in their hands.

The CIA thus gained complete control over Japan and Ukraine.

To be more careful, these are the requirements to control the world—the way of Ninja.

Child play only exists in movies, but in reality, we only have a power game.

This means that fraud is the only option. It is a correct understanding of reality.

These are the truths we need to put ourselves into world politics.

And you are trying to be wise to know what we insist to the world.

And the creation of the future is an options of ours to make any choices and decisions.
