

World war 3

KURODA International

Takeshi Kuroda

With Russian invasion cause World War 3. Russia and China alliance face Western camp with. This makes a full divine of the world within 2.

These are with Indo pacific alliance and ANZUS, NATO that is facing for anti-Illuminati alliance.

Must expand all information in publicity there must be a revolution. There is a different vision among 2 divined.

These are the contrast of goodness and evils must be with Armageddon.

How the world must be accepted with all truth of orange revolution in Ukraine? That means to disclose all information we have a full opportunity to make victory.

For a last we are facing United Nation. That is control tower only be with his duty. How the world face to all their truth?

Decision with its peoples must be with us that means we have a justice.

From OPEC that we are standing Jihad with justice. Must face with all army forces we could ask victory then.
